

# You make the numbers.

**WE TAKE CARE OF THEM.**

## One-on-One Accounting Advice

Our team of expert accountants will work with you to provide customized guidance about your finances. You'll have a dedicated bookkeeper and accountant you can reach via chat, text and email as often as needed.

## Stress-Free Tax Filing

Vyde handles your business and personal income taxes. We'll work closely with you to save the most possible on your taxes and keep you compliant with the IRS.

## Seamless Online Bookkeeping

Simply link your bank account, scan receipts, and our team handles the rest. Vyde will keep you organized and provide the financial tools you need at your fingertips.

“

*Vyde helps me manage my business better and makes me feel confident come tax time. My bookkeeper is responsive and lets me know if they need anything from me...*
